

# Student Meals During School Closure - USD #341

March 17, 2020

In an effort to help students of the Oskaloosa school district, USD #341 has been approved to provide meals to children during our period of school closure.

Beginning on Wednesday, March 18th, a sack lunch and a sack breakfast for the following day will be available for all children ages 1 to 18. Meals are available at **NO COST** to students and will be provided on weekdays only. These two meals will be available in a **"to go"** bag and can be picked up at four locations in the district. Pick up locations are Oskaloosa Junior High School, Lakeside Village (main office), Lakewood Hills (main office), and Lakeshore Estates (water department office). To be in compliance with State regulations, students must be on-site or within view to receive their meals.

Pickup times will be from 11:30 am to 12:30 pm at all sites. Lunch menus will be available on the district website at [usd341.org](http://usd341.org).

We hope that this program will provide a helpful service to our parents and students during these challenging times!

Thank you,  
Jon R. Pfau  
Superintendent
