

August 1, 2020

To the Families and Community of USD 341,

At a special Board of Education meeting on July 30th, it was decided to delay the start of the 2020-21 school year by one week. The new start date for students is now August 26th. The additional five days will be used as professional development for teachers as they prepare for a challenging school year. Please find the updated calendar on the USD 341 website homepage.

The USD #341 Return to Learn Plan is also on the USD 341 website homepage. The plan outlines educational opportunities for students in the event instruction changes from the classroom to at-home learning due to the COVID-19 pandemic.

In addition, details of the plan will be presented during our enrollment dates of Wednesday, August 5th, 2020 (12 PM to 7 PM), and Thursday, August 6th, 2020 (8 AM to 4 PM). Enrollment will be in our Multipurpose Room, as with past years, but you can also attend concurrent USD 341 Return to Learn Plan Question and Answer Sessions in the school library. Sessions will be provided throughout both enrollment days.

We know the start of the 2020-2021 school year has sparked many questions. Thank you for your patience as we all prepare for school this fall at USD 341.

It's Great to be a Bear!

Sincerely,

Jon Pfau
