

Reminder!

**USD #341 will be closed for Winter Break starting Tomorrow, Friday, December 21st.
(Teachers will report on January 2nd for a Teacher Inservice/ Work Day.)
Students return to School on Thursday, January 3, 2008.**

*****Notice*****

We sent a text message notification on Monday evening, with the information that school would be closed on Tuesday, December 11th. We had technical issues with several cell phone numbers, that we hope we have corrected.

We were unable to use this system on Wednesday, December 12th and Thursday, December 13th due to the power outages.

We will be testing this text messaging service on December 21st (after school dismisses for Winter Break). If you receive this text message test, you are correctly enrolled in our service.

IF YOU DO NOT receive this test, there may have been miscommunication with your enrollment -- please either complete and return this form again so that we can correct the problem with our service or contact the school office after school resumes in January.

Want to be notified via text messaging when school is canceled?

If you complete this form, and return it to the school office, we can send you a text message with urgent-necessary information, in reference to school cancellations.

This program was a pilot OES program last year, and has become district wide this year. Even if you signed up last year, if you wish to be part of this program, you need to sign up again.

Please note that currently, this will only work with AT&T (Cingular), T-Mobile and Verizon cell phones! *The addresses for the 3 different companies are not interchangeable, so we must know which company your cell phone is with.*

If you subscribe to a text messaging service, this notification should be free.

If you do not subscribe to this service, each notification will cost you a small fee (approximately 10 cents) on your Cell Phone Bill.

Please contact the office, if you change your cell phone number or if you decide to remove your cell phone from this notification.
