5th & 6th Grade Reading Festival....

Friday, October 16th

A permission form is required to participate & due by noon on 10/16. Come enjoy reading with friends. The festival will be held right after school until 5:30, when parents will need to pick up their children. Bring pillows, beanbags... whatever you need to get comfortable. The computer lab will be available for testing. Treats will be provided & door prizes awarded.

“TELL US BY 2:00”....As much as possible, if your child will have a change in afternoon dismissal plans, PLEASE “Tell Us By 2:00”. The office gets quite crazy at the end of the day, so if possible, send a note in the morning or call as soon as you know of the change. Thank you so much!

Getting the Most out of

Parent/Teacher Conferences....Call

#863-2554 to schedule. Conferences will be 20 minutes long from 4:20PM to 8:00PM on Tuesday 10/20 and from 4:30-7:30 on Thursday 10/22.

Before the conference, write out your questions and take them with you to the conference. Take notes during the conference. Talk with the teacher about your child's talents, study habits, & any special sensitivities. Let the teacher know if you believe that your child needs special help or if there's a family situation that may be affecting the child's ability to concentrate. Keep in mind that both school & home want what is best for each child

SAVE THOSE “BOX TOPS FOR EDUCATION”.

The Elementary Science Team is collecting them to help pay for maintaining the Outdoor Classroom and have an automatic watering system installed in the ABC Garden at the entrance to the Elementary School. So save those **Box Tops for Education** & send them to school.

Accelerated Reader The following

students moved up a club this week!

Harlee Crossett and Miranda Doores entered the 50 point club!

Alexi Adams, Paige Lowe, and Colby Peck rumbled into the 100 point club!
